

Supernatural Communication: How to Pray with Power and Authority

Prayer is more than just talking to God--it is an adventure in supernatural communication that changes people and their world. Supernatural Communication stresses the importance of finding a personal style and method of prayer rather than following prescribed formulas. Hickson's comprehensive guide covers every facet of prayer that the modern prayer warrior needs to know, including -developing a consistent prayer life -different types and styles of prayer -characteristics of a successful prayer warrior -prayer walking -learning to wrestle and wage war -the liquid prayer of power--tears -strategic prayer for cities This powerful and intimate look at communicating with God on behalf of his children will grip any reader interested in intercessory prayer, from national ministry leaders and prayer warriors to the quiet intercessor at home.
