

Primary Tutorial for Qi Gong Style Regular Script in Small Characters (Chinese Edition)

Primary Tutorial for Qi Gong Style Regular Script in Small Characters attempted to use concise explanatory notes and more training parts, because it could help beginners. The more complicated it was described, the more difficult and erudite it became to understand and learn. Calligraphy teachers should not conduct his courses in this way. More training parts and fewer theories could relax beginners and make it easier to learn. This was getting rid of superstitions mentioned by Qi Gong. The author hoped that the book could become a one-stop teaching tutorial to learn Qi Gong style regular script in small characters. As long as you could grasp the contents in the book, your calligraphy skills and writing levels in regular script in small characters could be improved to different favorable degrees.
