

66 Books One Story: A Guide to Every Book of the Bible

If you've read the Bible, you probably know some of the important battles, a good chunk of the life of Jesus, maybe a Psalm or two - but what do you know about the minor prophets and the epistles? Do you have some loose ends that need tying up? This is where a book like this helps. The Bible has one author - God - so we need to see the Bible as a whole, as God's Word. Every book of the Bible is the breath of God and the plan of Salvation spans all of Scripture. In this Bible overview each book of the Bible is summarised; background given; themes and theology explained.
