

Abingdon Select Collection Marriage Gold Certificate

Important milestones, like marriage, mark ones faith journey as the church honors these special days through words spoken and rituals observed. This beautifully designed keepsake has a foil stamped cover with full-color inside. Each certificate is French-folded to 5 x 7 and comes with an envelope, making it easy to give and save. The certificate comes in unique packaging: a re-sealable cellophane envelope, which allows for easy identification and great protection when storing. This certificate is part of the new Abingdon Select Collection--a distinctive and elegant design with a fresh perspective.
