

Leading Generation: Emerging as a Leader in your Generation

There are leaders in every Generation. Some make a difference, while others make history. From Billy Graham to Steve Jobs, Nelson Mandela to Myles Munroe, all made history. They possessed principles that every emerging leader should discover to maximize their gifts and potential. This book, while biblically based is a guide to emerging young leaders, not just in the church but in every sphere of society from Politics, Arts and Culture, Finance to Business. Pastor Duerre and Sharai Thomas, covers each principle in depth, with the hope they will develop World Class, God honoring and History Making Leaders. Will you carry the baton for your generation?
