

Aint No Valley: A Novel

Anthony, a banking executive, and Naomi, a dentist, are two people who have trusted their jobs and status to make them whole--until they are suddenly without either. Against the backdrop of San Francisco and plans for a California wedding for Mary and Moor (from Aint No Mountain), Aint No Valley is the story of two people in crisis, learning to glean the very best from life; two people who have squandered their God-given gifts on a world that has used them up, and who now search to find their way home.
