

Anointed For Gods Purpose (Vision, Passion & Prayer)

Ever heard it said that what you see is what you get? Well said. When one by revelation or spiritual insight is able to see into the immense treasure laid up for him within the promises of God in His word, a passion is birthed within him and that passion ultimately lands him at the place of prayer where he can hook up with God so that He can fulfill that which has been seen. In Anointed For Gods Purpose, Author Felix Onyango reveals how Christians can harness the rich interplay between Vision, Passion and Prayer, to lay hold of Gods purpose and destiny for their lives. This book provides vital content that will surely arouse your heart to follow hard after God and plug into His promises to attain the greatness to which He ordained/designed you. By examining the lives of Hannah, Jacob, Abraham and the woman with the alabaster box amongst others, the book seeks to give the reader tips on how to exploit the nexus between the three facets of Christian living (Vision, Passion & Prayer) to lay hold on his destiny and fulfill his God-ordained purpose on earth. Without vision there is no possibility of desire or passion being birthed in the heart for anything. Passion is a product of vision. an English proverb has it that, What the eye does not see, the heart does not grieve for. One cannot grieve, yearn or have a passion for what his eyes or heart have not seen. A man of God once said that the proof of desire is in pursuit. Genuine passion will lead the soul to pursue or bring it to the place of prayer, where it can lay hold of God for the fulfillment of that which has been seen!
