

Beauty and the Bounty Hunter: Once Upon a Time in the West (Once Upon a Time in West Book 1)

Cathleen Chase is no killer but as Cat OBanyon, she is a ruthless bounty hunter who always gets her man. Catching one lowlife after another, she continues her search for the only man she really cares to locate. The one whose voice she will never forget; the man who murdered her husband. She'll stop at nothing to find him. Con artist Alexi Romanov taught Cat every trick she knows. He is a master of deceit, disguise, and desire. He's difficult to trust, and even more difficult to resist, but he has news she can't ignore. The man she's after has placed a bounty on her head. To get him before he gets her, she'll have to team up with Alexi again.... And just like before, the two of them together are nothing but trouble.
