

# Bigger Badder Board Games: Megasizing 24 Old-School Board Games for Fun and Conversation

If you think classics like Ker-Plunk(tm) and Candy Land(tm) are just for the Sunday school supply closet, think again. Steve Case has taken childhood favorites like these and transformed them into exciting crowd-breakers and main events that can lead to transformative conversations about life and faith. Each of these 24 games includes set-up instructions, a supply list, and rules of play; but more importantly each comes with a set of discussion questions to take players beyond the laughter and fun and into deeper truths.
