

## Child Evangelism

While every Christian realizes the value of child evangelism, many have but a vague idea of how to engage in it. The Bible assures us that: God hath not given us the spirit of fear; but of power, and of love, and of a sound mind (2 Tim. 1:7). Those that work with youth will discover how much they need a proper balance of knowledge and zeal. They also needs the Word of God to enlighten and equip; the Holy Spirit to lead and empower; the love of Christ to constrain and motivate; and a sound mind to rightly distinguish and guide in this most important gospel activity. This booklet will help you explore three aspects of child evangelism: its delights, its dangers, and its design. And as you study, you will gain instruction, learn techniques, and be motivated to properly lead children to a saving knowledge of the Lord Jesus Christ.
