

## Clean Up on Aisle Two

In Clean Up On Aisle 2, Dennis Henderson shares nearly 50 years of pastoral experience, describing his own life from his dysfunctional childhood, his first visit to a church (he stole the holy water font at a Catholic church), to his later conversion, call to ministry and service in the church. In the pages of this book you will find yourself laughing out loud, and at the same time learning profound truths that will make a difference in your life and ministry. To be read by any Christian, this book is especially helpful to those called to leadership in the church. Read it, and avoid your own clean up on aisle 2.
