

Come and See - Study Guide

What has God called you to be? What do you want for your family? How can you help someone called by God to a special vocation? God has called each person to a particular way of living his or her life for Him. Knowing what that mission is becomes the most important thing a person can know for life. Walk with John Paul II through the pages of *Pastores dabo vobis* and *Vita Consecrata* to gain a deeper understanding of the vocation of priestly and consecrated life. Learn more about and appreciate those who sacrifice everything for the love of God. Acquire the means to assist others in their quest to answer the question, Why did God create me and what has he called me to be? Our priests and religious sanctify the body of Christ, which affects not only the Church but the whole world. Find out how you can respond to His invitation to help build His Church.
