

Compromising with Lucifer: The Weakening of the Body of Christ in America, And the Divine Solution

If the kingdom of darkness is going to be shut down it will be a result of an uncompromising body of Christ. Countless churches across America have lost the true meaning of the gospel message due to a desire to receive honor, praise and glory from man. As a result, the body of Christ has lost a great degree of its effectiveness in the world. By compromising with Luciferian ideas, the church has refused to aggressively confront the powers of darkness that has deceptively crept into the church. The misleading wisdom inherited in secular knowledge has replaced the wisdom found in the knowledge of God. New age ideas, money obsession, material prosperity, people rights, sexual immorality have largely been accepted, consciously or unconsciously. Therefore, the message of God has been compromised in order to avoid opposition from some of the most popular channels of the world, including celebrities, atheist, secular arenas, and groups who promote ideas contrary to the will of God. Pastor Steve Glenn has taken a bold stance against the satanic kingdom. In his book *Compromising with Lucifer*, a book that disposes the activities that Satan has used to gain entrance into the body of Christ, he enlightens the body of Christ on the intentions of the enemy and his plan to increase the kingdom of darkness, resulting in the destruction of this nation. The church will be shown what to do in order to prevent such a disaster. Victory can be achieved only if Christian believers adhere to the true message of the gospel and refuse to entertain the seductiveness of Lucifer.
