

Children of Demons

Spiritual powers have been moving for thousands of years. Now their plans are finally coming to fruition. Amidst the twisted milieu of crime, terrorism, and unspeakable darkness stands a group of men and women, called by God and gifted with extraordinary abilities. Matthew and Kiera try to overcome their broken pasts and foster a budding romance in the midst of chaos and danger, while Lazarus searches for his lost love and the father who destroyed his childhood. Meanwhile, Detective Thomas is hot on their trail, intent on capturing them for crimes he's certain they've committed. Through it all a deep conspiracy runs from the highest to the lowest of society, a conspiracy millennia in the making that will change the very nature of humanity itself. This gripping, thrilling adventure will keep you asking questions until the very end.
