

discovering yourself

This self-help, motivational, Inspirational and charismatic self-discovering, heartwarming book help people get more information on harnessing, developing and transforming their potentials and talents. Its unique advantage is that it is based on the authors actual life experience. Who are you? Why are you here? What potential deposits are you carrying? What purpose, assignment, calling, destiny, were you created to fulfill. What were you born for? You must discover who you are and how to harness your God-given potentials. This is a must read for all who want to succeed in life no matter your profession. See yourself, evaluate yourself, access yourself and draw from your natural strengths and weakness. Failure and inability is not disability. There is ability even in disability. Find out from this book, success nuggets and treasures that will translate your humble attitudes to HIGH ALTITUDE. Good Luck.
