

## Encyclopedia of Drug Abuse (Social Issues)

With over 500 entries, this guide covers terms related to the misuse of drugs, laid out in alphabetical order. The book discusses legal, medical, biological and social aspects of the problem of drug abuse and provides statistical data to reinforce the material. It also covers the terminology used in the treatment of drug abuse and the slang, organizations and individuals who have shaped ideas in this field. The book is part of a series devoted to social issues.
