

## Easter Uncut

Most journals are boring. This one isn't. Easter Uncut takes readers to one man's account of a week of his life: a week of great plans, shattered dreams, nightmare scenes and renewed hope. It's what we call Easter, without any of the fluffy bits. This accessible, faithful book will engage, inform and excite non-Christians by taking them to the uncut Easter story, and to the wonder of the message of the cross and empty tomb.
