

Fear Fighting: Awakening Courage to Overcome Your Fears

So many women are breathing but don't feel alive. They walk through life feeling judged, worried, and apprehensive, as though their voices don't count, their lives don't matter, and their faith is weak. But they hide these doubts and fears, put on a happy face, and go out to face the world, already defeated. Kelly Balarie knows what it's like, and she's here to say that the time for hiding from our fears is past. Compassionate, encouraging, and grounded firmly in Scripture, *Fear Fighting* helps women address their fears, one by one, so they can be freed to live out their lives with passion, purpose, and an unstoppable, contagious faith. Through these tangible strategies, including a 12-week fear fighting group study challenge, personal inventories, checklists, and ways to measure their growth, women will find themselves emboldened and empowered to face the world, knowing they are already victorious.
