

Fifty Shades of Grace

Fifty Shades of Grace provides a scriptural look at what the Bible says about relationships. Too often in the education of relationships, abusive and unhealthy relationships if discussed are not done so with enough depth. This book will compare what society tells us, in the form of entertainment and media, with what God tells us in the Bible about what healthy and loving relationships are. It will explore what abuse is and why many of us are in abusive relationships and what we can do about it. I hope this book helps people not to fall into the trap of harmful relationships. Rev. Shauna Hyde, author.
