

first - Devotional: putting GOD first in living and giving

What happens when we truly put God first in all aspects of our lives? In *First: Putting God First in Living and Giving*, pastor and author Mike Slaughter conducts a four-week all-church stewardship program to help participants reassess priorities and create a culture and a lifestyle of faithful living and giving and make a meaningful contribution to the world. To help parents educate and model generosity for their kids, *First* includes components for children and youth that help families explore financial decisions together. This book of devotional readings is a companion resource for program participants and is designed to draw families into closer fellowship with God as they explore financial decisions together. Includes short readings, Scripture, prayer, and stories.
