

Gods Image of You

Your Self-Image Determines The Direction of Your Life. Self-Image is important. The business world discovered years ago that a man will never rise above the image he has formed of himself. It will cause him to either succeed or fail in life. What or who you image yourself to be determines your fate in life. Your self-image can carry you to heights of success or plunge you into the depths of defeat and despair. God created man in his own image. God sees you in His image and likeness. The image that God puts in His Word is the image you should have of yourself. When we put off the old man and put on the new man, were in a position to be renewed in the knowledge after the image of Christ. God doesn't see you the way you once were. If you are born again, the Bible says you are the righteousness of God in Christ. Contents Preface 1. Seeing Yourself as God Sees You 2. Created To Have Dominion 3. In the Image of God 4. Man and the Angels 5. Speaking the Image 6. Doers of the Word Are Winners In Life 7. Above Principalities and Powers 8. God's Hope of Glory
