

Man of Christ: Becoming a Man of God by the Example of Jesus Christ

The world offers many answers regarding the role and definition of masculinity, but what does it mean to be a man of God? In *Man of Christ*, we find the standard and form of masculinity in Jesus Christ: the image of manhood as God intended. Within this book we explore six virtues and their culmination based upon Christ's life as found in the Gospels. Each virtue contains seven supporting verses designed to be read one day at a time, along with an additional reflection, then a call to action for the day. The use of a personal journal is highly recommended each day for continued reflection on the verses and commentary as it applies to your life. The goal of this work is that by the end of these 42 days of following Christ, men will rediscover what it means to be a man made in the image of God.
