

# Mindfulness: Learn Mindfulness Meditation For Stress Relief, Self-Empowerment And Holistic Health

Mindfulness: How To End Pain And Suffering Mindfulness is an ancient practice - a secret guide towards inner peace and relieving pain and suffering once and for all. Mindfulness allows you to be in control of your thoughts, which will help you live a life filled with greater peace and happiness. It is often said that: You are what you think about. If you can control your thoughts, you can control your reality and live life with greater peace and happiness. Mindfulness is simply about being more... well.... Mindful. Its about becoming more aware of the present moment and all that is going on right now. Its a very SIMPLE concept, but it is definitely NOT easy! Youll be surprised at just how crazy and constant our thought patterns can be. However, with continuous and consistent practice, you will find how mindfulness begins to improve your quality of life. Mindfulness training will promote greater self-confidence, self-esteem, happiness, peace and fulfillment. In the following pages you will discover all you need to know in order to kick-start your life for success, using mindfulness practice. Heres A Preview Of What Youll Find Inside This Book... 1: What Is Mindfulness? 2: How To Practice Mindfulness 3: Power Of Mindfulness 4: Science Of Mindfulness 5: Mindfulness For Personal Growth 6: How To Stick With It! 7: How Mindfulness Translates To Other Areas Of Your Life 8: Mindfulness For Greater Productivity 9: Changing Your Outlook On Life 10: One Last Thing Download your copy for only 0.99cents!
