

## How Could A Loving God

People assume Christians have all the answers yet, in the face of tragedy, death, or suffering, everyone struggles to find just the right words to bring comfort or closure to those in need. Sometimes just hearing It is Gods will isnt enough. Sometimes just saying God will turn this to good seems so meaningless when despair is so profound. Often the pain goes too deep, the questions wont go away, and even the assurance of faith doesnt help. How could God let this happen? How can God love us, yet allow us to suffer in this way? What is the point of this what is the purpose? In this provocative new book, Ken Ham makes clear answers found in the pages of Scripture powerful, definitive, and in a way that helps our hearts to go beyond mere acceptance. When you grasp the reality of original sin and all that it means it creates a vital foundation for your heart to finally understand what follows.
