

The Abuse That Did Not Stop

This book is based upon a true life story and names have been omitted to protect the innocent. The purpose of these writings is so that you who are bound in a relationship of abuse and cannot find a way of escape, would realize that this is not Gods desire for His children and that there is hope for those who want to be delivered. The book takes you very deep into the childhood and hurts and victories in the lives of whom it is written. Each chapter takes you into a life challenging walk with the author. The contents of this book is in no way being published to give the devil any glory but to prove that in spite of any lifes defeat the Lord is able to walk you through and deliver you from the hands of the enemy.
