

Hugs for Mom: Stories, Sayings, and Scriptures to Encourage and Inspire (Hugs Series)

This newly packaged edition of the original Hugs for Moms has a fresh, contemporary look and will make the perfect gift for any mom. Moms are usually the ones who give the hugshugs of encouragement, hugs of acceptance, hugs of forgiveness, and hugs of shared joy. This little book is a way to give some of the hugs back to Momhugs of love, thankfulness, devotion, and respect. The pages of this very special book are filled with hug after hug that express your warmest feelings and appreciation for Mom. Each portion of this collection is chosen to encourage and inspire her and let her know how very important she is to your life. Whether its through one of the stories by the beloved storyteller John William Smith, one of the personalized scriptures by LeAnn Weiss, an uplifting quote, or one of the many inspirational messages to Mom, youll find that these hugs reach deeply into the heart of Mom and tell her what she needs to hear. Share a hug that will last a lifetime! ***I have an important message for you. It may come as a surprise, because this message is not repeated nearly often enough. Are you ready? You are greatly admired. Its worth repeating. You are greatly admired. And not just by your familyby others, too. Some of your admirers are close acquaintances, others are strangers, but they all hold you in high regard. Why? Because you are a mother through and through. . . . Because you are totally in love with your family and are thoroughly prepared to show your love by giving all, asking little, and accepting less. . . . You may do many other things in your life on earth that will be productive and meaningful, but none will be as admired as being the beautiful mother you are. Excerpt from Hugs for Mom
