

Leading Beyond the Pulpit

Prestige, power, control, and position higher than God himself is not His will. It is yours, and that is what loses the heart of ministry. God is not pleased with whom He trusted to guide His people. God has a lot to say about the building of His kingdom. Pastors tend to take it personally, but it is building Gods leaders up for His glory not yours. How many leaders have to go from church to church for change because of disappointment? It grieves Gods heart and spirit in man, but God knows that it is the struggle that brings out endurance.
