

John Elway: The Drive of a Champion

In *John Elway: The Drive of a Champion*, the editors of *Sports Illustrated* have collected the greatest moments from Elway's remarkable career: From his formative years at Stanford University, through his brief flirtation with professional baseball, to such football highlights as *The Drive* against the Cleveland Browns, and of course substantial coverage of the Broncos stirring victory in Super Bowl XXXII. With stunning four-color photography and the outstanding writing of Rick Reilly, Rick Telander, Peter King, Michael Silver, and many others, John Elway is an irresistible chronicle of the life and career of a true football immortal.
