

Family Graces

Eating and praying together as a family can be an important source of strength and renewal. Praying before meals opens our hearts to an awareness of God, who is the giver of all good things and sustains us in all of our lives. When we pray before meals, we follow the example of Jesus, who prayed with his disciples during The Last Supper. This booklet contains thirty graces. It is designed to stand on a tabletop or counter, with the same prayer viewed on both sides to encourage praying together at meals. The prayers can be read together, said quietly, or can be sung.
