

Sacred Space for Lent 2013

Now in its seventh year of publication, Sacred Space for Lent 2013 continues to attract and retain a devoted readership for whom it serves as a complement to the hugely popular website sacredspace.ie, and as a daily Lenten resource of unmatched quality. Sacred Space for Lent 2013 is a convenient, pocket-size book that makes it easy to enter into prayer during Lent--the most important season of the year. Using the simple six-step method first developed by St. Ignatius of Loyola, founder of the Jesuits, this booklet provides the same daily readings and prayer starters, accompanied by the weekly Lenten themes found in the larger book. Inexpensive and portable, it is ideal for people on the go who want to grab a few moments to read, reflect, and pray in the midst of their busy days.
