

## Five Dramatic Lenten Readings

These five Lenten readings provide a dramatic boost to your worship services leading up to Palm Sunday. With each reading a symbol is presented and placed at the foot of a cross in the front of your sanctuary. There are two readers or players in each reading--the Leader and Jesus. All five readings are taken from important New Testament scripture passages, but they are presented in a way to draw in the congregation and stimulate deep spiritual insight. If the church has multi-media capabilities, slides can be shown as the short drama unfolds. Three slides are suggested for each reading.
