Would You Believe - The Lies We Believe, The TRUTH that sets us FREE - A Personal Guide to Inner Healing: Real peace single-mindedness, clear guidance and direction understanding and revelation creativity and spiritual authority satisfying relationships can we really achieve this state in such a broken, chaotic world? Yes! God is longing to sweep away the wounds of the heart and the lies we believe to bring us into a quiet place with Him where we can hear His voice clearly and have that abundant life that Jesus promised. This simple book guides us into a more personal relationship with God as He heals our brokenness and relieves our souls of inner pain, setting us free to be all that He originally created us to be. And out of our inner peace, to release His love and purposes into the world around us. Sylvia McGinnis has partnered with God in the Inner Healing ministry for over 20 years, serving as a Bible Study teacher, public speaker, and a minister in jails and prisons. She has held leadership positions in churches and Aglow International, and is a licensed pastor. Her heart is set upon the healing of the brokenhearted and setting the captives free. In this hands-on, practical guide to inner healing, Sylvia McGinnis unlocks and reveals a beautiful path to freedom and wholeness. This book is for everyone. Instead of asking, Am I deceived? before reading this book, ask yourself, Where am I deceived? Then, open your heart and your mind, and read Would You Believe?. Mingled with several personal illustrations, the honesty and real-ness of the Truth comes to life in such obviously applicable ways. Having known and served with Sylvia for many years now, it is great joy to read this book and see how much of the ministry she does in secret can have a more public platform. This book is full of life-changing encounters with Gods heart, and it is a resource that can be utilized over and over

again as you work out your salvation. -
