

Living Beyond: Making Sense of Near Death Experiences

What are near death experiences (Ndes) and how do they fit with Christianity? Mysteries are explored, misgivings answered-at last! The truths are surprising, exciting, and ultimately relevant for everyone! Did you know that each Nde has been planned personally by God to be a course-correction in the life of the returnee? Even the unpleasant, hellish Ndes can be beneficial. Did you know that Nders around the world have shared similar experiences? Sixteen million adult Americans are a part of a giant family of at least 300 million returnees alive today. Tragically, many remain confused by their experiences, and millions have had problems adjusting to life again on earth. This book is designed to help them and their families, friends, and others interested in afterlife adventures. The amazing experiences of many returnees from around the world are quoted and explained. Fasten your seat belt for a unique and exciting ride!
