

Living by the Book: A Personal Journey Through the Sermon on the Mount

Twenty-five meditations going step-by-step through the teaching of the Sermon on the Mount are illustrated by the authors gently humorous anecdotes. She sets out on a journey of exploration to rediscover the challenge in those well-known chapters of Matthews Gospel. What did Jesus really say about the good life, and what it involves for those who set out to follow him? Is it possible for ordinary Christians to live by the Book? What happens if we dont? What happens if we do?
