

Walk In The Desert: Two true stories

Every life has both highs and lows. Its wonderful when we stand on the Mountains, but how do we survive the dry desert? Walk in the Desert is a book with two true stories from my life that may give solace to others knowing they are not alone. Valley of tears is only a six-week period, which covers diagnosis to death of a young adult daughter. Summer on Cape Cod is the story of brain tumor surgery and recovery. This should give hope to the many who will receive that diagnosis. It is not always a death sentence.
