

Love Now, Heres How: 26 Roadblocks to Healthy Relationships & How to Clear Them

Are you afraid to be yourself? Does love seem to dwindle over time? Are you afraid of getting hurt again? Do you keep attracting the same kind of partners? This book will give you the answers you seek and help you to create successful relationships based on intimacy and trust. Love Now, Heres How will help you realize your relationship dreams and satisfy the deepest longings of your heart. Learn to: -Get what you want in love (rather than what you DONT want!) -Create relationships that work over time. -Accelerate your process of personal growth and spiritual transformation! Love Now, Heres How is much like Louise Hays Heal Your Body, applied to the area of relationships. It helps you to understand and heal your relationship issues, while creating greater love and harmony in all your relationships.
