

Living The Quest: Davids Journey in Llife (Volume 2)

Living The Quest is about finding and following Gods call on your life. David has been on his great journey back in Biblical times to discover what it means to be given a Quest by God. He is now back in his own time, equipped with the 8 Lessons that he has learned, and facing the reality of what it means to truly follow God. As David recovers from his heart attack and takes the leap of faith that is required of him in order to be on the path with God, he finds his fulfillment in life. Each of us has a Quest that was intended for our lives. God has always intended for you to find your Quest, that journey that brings you the peace of the Almighty, the courage of Jesus Christ, and the confidence of a Child of God. Read this book and allow the main character, David, to help you live the lessons of the Quest and find the path that God is waiting on for you to join Him.
