

Medical Aromatherapy for Healthcare Professionals

Medical Aromatherapy for Healthcare Professionals by Dr Miriam Kinai teaches you how to use essential oils to treat physical diseases and emotional disorders. The authors experience as a medical doctor and clinical aromatherapy practitioner have enabled her to write a highly informative guide for those who want to utilize the healing benefits of these natural plant essences. You will learn how to use essential oils to: * Treat skin diseases like acne, eczema and psoriasis * Treat other physical diseases like high blood pressure, arthritis, coughs and colds * Manage mental and emotional conditions like anxiety, depression, anger and stress * Relieve the symptoms of menopause and premenstrual tension * Lessen insomnia and impotence Medical Aromatherapy for Healthcare Professionals is therefore an essential resource for holistic healthcare practitioners like massage therapists, naturopaths and herbalists. It is also a useful resource for conventional medicine healthcare providers like physicians and nurses who want to begin practicing integrative medicine and for patients who want to improve their health naturally by using aromatherapy oils.
