

Amazing Natural Medicines

AMAZING NATURAL MEDICINES is a modern and scientific guide to the use of diet, vitamins, minerals, botanical medicines and food supplements in the treatment of common diseases. This book discusses twenty six common ailments and provides modern, natural therapies that have been proven to help these conditions. A brief discussion of the condition is followed by treatment beginning with diet, vitamins, minerals, herbal medicine and nutritional supplements. The book is full referenced from current scientific research articles from around the world.
