

## Odos Hanging

Bishop Odo, half-brother of William I, commissions a hanging to commemorate the Kings conquest of England. The man he chooses to design this tribute, Tuold, a Norman renowned for his skill but not his temper, reluctantly travels to the convent in Winchester where nuns will implement his sketches. Hes accompanied by his old friend Rainald the monk, sent to liaise with the nuns and their abbess, and the narrator Robert, his young, devoted but mute apprentice. Weaving in the dramatic sequence of events portrayed by the Bayeux Tapestry, Peter Benson gives a striking impression of the politics, conflicts and religious beliefs of the era. With this intricately wrought and absorbing novel, he has brought to life a fascinating period of English history.
