

## One Fine Cowboy

Hes got a way with horses...and with women...Nate Shawcross is perfectly content to spend his days training wild horses, but after his ambitious ex-girlfriend distributes brochures behind his back, horse lovers from all over the country are arriving at the ranch expecting a three-week workshop. When a beautiful greenhorn unexpectedly shows up for a seminar from the famous Horse Whisperer of Wyoming, all Nate wants to do is send her packing-until an impending foreclosure makes him willing to do anything to save his horses. Graduate student and East Coast animal rights activist Charlie Banks is skeptical that a rough and tumble cowboy can teach her anything about animal behavior, but as she watches Nate work, the horse isnt the only one who succumbs to the handsome cowboys whispering. Could it be that after all this time Nate has finally found the one woman who can tame his wild heart?Praise for One Fine Cowboy: An entertaining and humorous romance. -Booklist starred review Refreshing and fun from the first page to the last.
