

An Old Guys Guide to Living Young

Bestselling author Bob Barnes shares the secrets to a vibrant and faith-filled life with readers of all ages. Drawing from his experience as a husband married more than 57 years to Emilie Barnes and a respected patriarch, businessman, author, and man of faith, Barnes provides brief, inspiring chapters about how to be young at heart by strengthening a heart for God; let hope influence trials and daily routine; live out devotion to God with discipline and commitment; model compassion and generosity in practical ways; and build an influential foundation with humor and wisdom. Readers will be encouraged by these life-transforming attitudes, actions, and priorities that will make an eternal impression on their quality of life and on those they love.
