

The Overcomers Secret

Have you ever wondered why life seems so easy for some people and yet very difficult for others? Would you like to know the secret to staying on the easy-side of life? If you can identify with these questions or simply want to satisfy your curiosity, this book is for you. Get ready for an adventure in Gods Word that will completely revolutionize your life. The Overcomers Secret will equip you with the knowledge of critical principles instituted by God to make His creation respond favorably to humanity. In this book you will discover concepts that will help you to further: 1. Appreciate the existence of laws and systems instituted by God to govern His creation. 2. Treat Gods laws with respect so as to stay on the victory-side of life. 3. Understand how to activate one of the critical laws instituted by God, which is the law of the spirit of life in Christ Jesus. 4. Appreciate the reason the law of the spirit of life is only operational inside Christ Jesus. 5. Recognize the need to activate the law of the spirit of life to overcome the vortex of another law known as the law of sin and death. 6. Identify two elements - Mercy and Grace - upon which the law of the spirit of life is built. 7. Understand how to practice attitudes of honesty, humility and faith to receive the Mercy and Grace of God to obtain a favorable response from Gods creation. Concepts discussed in this book, along with other published resources will position you to stay on the easy-side of life. We invite you to discover details in The Overcomers Secret.
