

Kingdom Life Discipleship Unit 1: Enduring Truths That Change Lives

Everything of value that we accomplish on this earth springs out of our hearts - our spiritual lives, yet that seems to be the last part of our lives that we focus on. Our families, our businesses, and even entertainment seem to take priority over what is eternal. To live an abundant life of freedom, our lives need to be focused daily on the kingdom of God and our walk with Jesus. But how do we practically do that?

Have we spent much time building our relationship with God? What is our foundation for living? Is the Bible our true foundation? Do we know the character of God or understand the ways He talks to us? Do we have an understanding of how to walk with God on a daily basis?

What is the vision and fruit of a Christians life? What should be our mission on this earth and what is our source of power?

These questions reveal the WHY behind this intense study of the Bible. KINGDOM LIFE DISCIPLESHIP is a program that covers the foundations of what every believer needs to know to walk with God. With journal assignments, prayers, daily scripture readings, and in-depth teaching, these units of study can set believers on a course to be able to walk with God for the rest of their lives. Divided into 4 units of study, this thirty week discipleship program can be done in two fifteen week semesters or in unit studies. It can be used by churches, Bible studies, colleges and high schools, mission organizations, or for individual spiritual growth. Unit 1 Enduring Truths that Change Lives Unit 2 Daily Disciplines for Growth Unit 3 The Vision and Fruit of a Christian Unit 4 The Power and Mission of a Christian This is Unit 1 of Kingdom Life Discipleship-Enduring Truths that Change Lives. A 7 week study building a foundation of essential doctrines that impact our daily lives, our understanding of Gods character, and an understanding of how we view ourselves in Gods story.
