

RISE UP!: THE MIRACLES and MEN of KATRINA

The never before told true story of a group of multi-racial, multi-denominational pastors in a Katrina-ravaged New Orleans. Not unlike Old Testament times, odds were stacked against them in such an impossible way that the outcome would seem completely hopeless and utter defeat inevitable were it not for God. With division so deep within Gods church in the Crescent City, it could have easily sunk to its death in the flood waters, but when God appeared inevitable defeat became certain victory. Ordinary people began to accomplish extraordinary things. Miracles became common place and hope was restored. God had not forgotten The City That Care Forgot.
