

Therese of Lisieux

Therese of Lisieux lived on this earth but a short time; she was only twenty-four years old when she died. She never directly ministered to those who had abandoned all belief in God. She never worked in foreign missions to spread the faith. She simply joined the cloister of Carmel at the age of fifteen, lived as a prayerful Carmelite, and died of tuberculosis nine years later. Her life and simplicity, however, has inspired people of many nations and creeds, opening to them a pathway of hope and of union with God. Therese's life testifies that holiness doesn't require harrowing deeds or huge sacrifices. One does not need to be a missionary, a person of great achievements, or a prominent theologian. Rather, the little yesses of everyday life, when done with a trusting heart eager to please the Lord, are a sure path toward holiness. Saint Therese's little way shows us how to go to God with love and confidence, no matter what our vocation. In her daily surrender to all that Providence placed before her, Therese of Lisieux lived out the divine plan. Walk along with one of the most beloved saints in history and see how her little way will help you draw closer to God.
