

Conquering Your Own Goliaths

In this book, Steven A. Cramer shows how we can enlist the aid of the Lord in overcoming our problems. He discusses the Goliath of a poor self-image, of thought control, of temptation, of adversity, of unresolved guilt, of indecision. He explains our need for the atonement of Christ in these and all other problems. And he shows that the Lord always has a way to deliver us from even the most serious of circumstances.
