

## Saving a Life

Young Jeff Morris never quite fit in. As a result, his behavior grew more destructive as he grew older. His parents diligently prayed for his life, all the while wondering, What will save our son? But when Jeff was found dead from a drug overdose, the resulting answers were anything but expected. Saving a Life tells the intimate story of a family surviving unspeakable tragedy. Reeling from the aftershocks of their sons death, the couple discovers that God is ever faithful, and that Christ is always present.
