

The Attributes of God

Bible scholar Arthur W. Pink became a prolific and highly influential evangelical author over the course of the 20th century, beginning with his monthly magazine *Studies in Scriptures*. Many of his books began as articles in this small publication, including *The Attributes of God*. In this work, Pink sets out to reveal the true character of God. He believes that in order to truly know God, we must first submit to God and follow in his footsteps. The people that do know their God shall be strong (Dan. 11:32). It is the authors hope that those who listen to these words shall be blessed and see their lives transformed by the power of God.
