

Giving and Receiving (The Believers Rights and Privileges Series Book 2)

One of the greatest hindrances to local churches in Britain, whatever the denomination, is the lack of finance. So often the work of God is supported by raffles, bring and buy sales and the letting out of church premises, instead of faithful tithing and freewill offerings of Gods people. A down to earth study that challenges every Christian and church to be a giver. Also to encourage those that are, to stay that way and to grow in the grace of giving.
